

STANDARD PALLET JACK

SP30 / 3000KG

Pallet Jacks are used, as the name suggests, to move pallets. They are nimble, have good mobility and being a low hazard risk, they are the perfect addition to any warehouse or work station.

Our heavy duty pallet jacks have a lifting capacity of 3 tonnes and each unit comes with a 24 month guarantee on the hydraulic pump. As an added bonus - They require no recharging or refuelling.
